

CHOOSE THE CLUES

A CONTEXT CLUES
BOARD GAME

Directions: Tape the two game board pieces together to make one board. Cut out the playing pieces above. Cut out the game cards. It's always better to laminate before cutting.

How to Play: Each player takes turns picking a card. If they get the answer correct they move up one bubble. Players must look for context clues to match the word with it's meaning. The first one to the finish is the winner.
